

VISION STATEMENT

TO SHARE THE GOOD NEWS

Our Vision of how we will achieve this is for our three circuits to unite, resourcing a new circuit within a shared understanding of the love of God, so that we may continue to move forward in His name, with ecumenical partners, to care for and show His love to all we come into contact with.

We plan to accomplish this where possible in the following way;

- Evangelism – to be witnesses to all those we meet, to make more followers of Jesus Christ.
- Service – to be a good neighbour to all and to challenge injustice.
- Learning and Caring – to deepen our own faith and to help others to learn and grow, through mutual support and care.
- Worship – to celebrate God’s love by increasing the awareness of God’s presence with a variety of styles of all inclusive worship.
